

# College Church

## Job Description

- Job Title:** Pastor of Care & Connection
- Reporting:** Reports to and is under the direct supervision of the Executive Pastor with additional oversight from the Senior Pastor and the Council of Elders
- Primary Objective:** Provide strategy and leadership for the care of the physical, mental, emotional and spiritual needs of the congregation while partnering with ministry leaders and ministry staff to help build a greater sense of community and connection within the congregation.
- Principal Duties:**
1. Champion a compelling vision for biblical counseling rooted and based on biblical convictions through adult education seminars, classes, and courses.
  2. Equip and mobilize elders, pastoral staff, and leadership teams to shepherd and care for the church through existing ministry programs and in personal discipleship.
  3. Recruit, train, equip, encourage and oversee a growing team of biblically trained, gifted and called men and women to serve as lay mentors who can be assigned to help a specific individual or family unit during and after the crisis.
  4. Cultivate a church culture in which congregants lovingly care for one another's physical, emotional, and spiritual needs.
  5. Act as the point person in caring for the health of marriages, including overseeing pre-marital counseling classes and marriage seminars.
  6. Develop new pathways and strengthen existing pathways that aim to connect each member and attender of College Church into meaningful community and shepherding relationships.
  7. Share in preaching, teaching, and officiating of weddings, funerals and visitations.
  8. Perform other duties as assigned by the Executive Pastor, Senior Pastor or Council of Elders.
